

Your United Way Donation at Work:

TOGETHER, WE CAN CHANGE OUR COMMUNITY

It will take all of us, working together, to create lasting change in our region. **United Way knows the best ways to get results** -- our research identifies the most pressing needs and most effective solutions. When you give to United Way's Community Action Fund, your contribution is pooled with gifts from other caring people to fund programs and initiatives that make a real difference. Your gift to United Way will make a lasting difference for children, families and older adults.
