

WHAT A DIFFERENCE YOUR GIFT MAKES

With United Way, we all matter. Your gift helps individuals and families at critical moments when they need solutions. Together, we create a more resilient, prosperous and healthy community!

1 YEAR OF GIVING CHANGES LIVES

\$60	One Day of Caring & Ease	For only \$5 each month, you can give an older adult or person with disabilities a day of care, attention and connection to new friends while providing their family caregiver a day of work without worry.
\$250	Mentorship for 2 Months	Give a child a positive adult champion. Adult mentorship improves graduation rates and child confidence – and adults love it too.
\$500	Nearly 1 month of Preschool	Early childhood learning, social skill development and kindergarten readiness are key indicators of success for the rest of life.
\$1,000	9 People – 1 Week Home Security	Fluctuations in income and emergency needs sometimes push families out of stable housing. Your gift gives 9 people housing for one week – a great start to renewed housing security.
\$2,500	6 Months In-Home Parent and Family Development	Home visitation is the most effective way to ensure strong, healthy children, end domestic violence, and grow parenting skills and confidence that is also passed down to the next generation.
\$5,000	Keep 6 Families in their Homes	For adults with physical challenges, including older adults, home repairs and changes needed to accommodate health issues can mean the loss of a beloved home. Your gift keeps more than 6 families at home, safe and in a familiar, welcoming place.
\$10,000	3 Youth with 1 Year of Development	Providing academic skills development, character building, and health and fitness instruction to youth in out-of-school programs builds more resilient, confident and capable adults.
