

United Way's Community Impact Fund Helps Charles City Residents

Last year (2013/2014), programs supported by United Way's Community Impact Fund provided services to

193

Charles City residents.*

**The number of residents served is reported by United Way funded programs each year. It is possible that a resident could be served by more than one program or agency. Additional clients were served that did not provide residency information; therefore the total served for this locality could be higher.*
