

United Way

LITERACY KIT DRIVE

You can help more children succeed in school by collecting items for United Way literacy kits.

United Way is focused on key milestones that ensure students are set up for success. To help students meet these critical steps to success, you can donate supplies and assemble literacy kits. United Way will distribute these kits to children Pre-K—second grade.

The kit will include information to empower parents and supplies to empower children to succeed in school.

Donate any of the supplies below or assemble them into a literacy kit.

- 1 wireless wide-rule composition notebook
- 1 pair of blunt-nose scissors
- 1 glue stick
- 1 tub of Play-Doh
- 2 pencils
- 1 manual pencil sharpener
- 1 book. Suggested titles are *Kindergarten, Here I Come!*, *Curious George's First Day of School* and [more](#).

You can purchase all supplies for our literacy kits on our [Amazon Wishlist](#).

For questions or help planning your drive/volunteer opportunity, reach out to Aimee Selleck, Volunteer Coordinator, at sellecka@yourunitedway.org or 804-771-5833.

You can drop off supplies or kits to United Way by March 22, 2019.
