

# Fly to the Hive

## Rhyming Game

**Directions:** Grab two small markers and place one on each bee at Start. Toss 1 die and match the rolled number to *one* of the numbers on the game board. (Note: Each number is on the board twice.) Name the pictures and tell if they rhyme. If they do, move the marker from the happy face side closer to the hive. If they don't, move the marker from the sad face side. The first bee to fly all the way to his hive wins!
