

# Kindergarten Countdown Camp

## Week 2: July 13-17

### Colors

- Use the coloring worksheets to practice identifying items for each color. Remember to stay inside the lines!
- Go on a color hunt around your house! How many items can you find for each color?
- Use your construction paper or crayons to make a colorful picture! Practice describing the picture using your color words,

### Letters:

- This week focus on letters Ff-Jj.
- Practice letter recognition with flashcards..
- Use a whiteboard and dry erase marker to practice letter formation..
- Here is a new video for practicing and reviewing letters and sounds.  
<https://www.youtube.com/watch?v=lhX064AiyGg>
- Your child can practice matching the upper and lowercase letters with the Letter Matching worksheet Aa-Hh found in your packet.

### Numbers

- Put a group of objects in front of your child to count. Have your child practice one to one correspondence by touching and moving each object as they count. ( You can use items like buttons, cereal, pennies, etc.) After they have counted, see if they can identify the number that they counted!
- Roll play doh into several balls. Have your child touch or smash each ball as they count the total number!
- Use the number practice page to work on writing numbers to 10 independently. Once you've mastered that, try writing to 20! Remember to use your notebook for extra practice.!

### Shapes:

- Introduce the shapes: circle, oval, square, rectangle, and triangle. You can use the Shapes Poster found in your packet to point to and name each shape. (The shape, star, is an added bonus on this poster.)
- Using the whiteboard, pipe cleaners, or play-doh, your child can draw or create the different shapes.
- There is a shape cutting worksheet in your packet for each of the shapes listed above. Practice staying on the lines and holding those scissors correctly.
- Complete the Build with Shapes worksheet to practice finding shapes in a picture and to review colors.
- Here is a song about shapes:

### Skills to Review

- **Name Practice:** Grab an old toothbrush, paintbrush, or q-tips and some water. Practice writing your name outside on the sidewalk or any hard surface! You can even use your construction paper!

- **Book Familiarity:** Hand your child a book upside down. Practice holding it in the correct position for reading. Review the parts of a book and the jobs of an author and illustrator. Identify the characters in your book and describe their feelings throughout the story.
