

**We need to come together.
Now more than ever.**

SUPPORT OUR CAMPAIGN TODAY.

United Way stepped in to help to help adults with disabilities and their families when they were suddenly left without care. At SOAR365's new location, they are able to serve a greater number of people with disabilities through their partnership with United Way. **This kind of collaboration is what United Way's work is all about.**

Through unprecedented times and beyond, your local United Way provides critical support to people in need and local nonprofits working to meet the rapidly growing needs of our community. **But we can't do it without your help.** Together, we can make this a stronger, safer and healthier region for us all.
