THANK YOU FOR SUPPORTING
YOUR UNITED WAY

Help us keep helping. SUPPORT OUR CAMPAIGN TODAY.

1 in 6 kindergartners in our region are entering school unprepared.

United Way understands the importance of kindergarten readiness and the role it plays in helping students graduate high school on time and secure a job that allows them to achieve financial stability later in life.

Through unprecedented times and beyond, your local United Way provides critical support to people in need and local nonprofits working to meet the rapidly growing needs of our community. **But we can't do it without your help.** Together, we can make this a stronger, safer and healthier region for us all.
